## Tuition Fees 2017

### (Tuition Fees for future years may be increased)

Tuition fees are based on the visa subclass. Once the application has been received along with evidence of the visa subclass, an assessment can be made on the amount payable. The maximum tuition fee is \$7,500 per student, which is payable to Government Education and Training International, Department of Education Tasmania for each year of enrolment.

When the tuition fee is paid the student's parents will be issued with an Authority to Enrol letter that can be used for visa application purposes and for a guaranteed enrolment at a Tasmanian Government School.

In addition to the tuition fee outlined above, students are required to pay a local school levy (approximately \$300 - \$850 per year) directly to the school when enrolling.

A payment advice form outlining tuition fee payment methods is included with this application.
