

### 2 Academic Year Course

Tasmania is a beautiful island of Australia that is world famous for its gourmet food. As a leader in hospitality training, we have designed a specialised Commercial Cookery course to prepare students for a rewarding and prosperous career in the hospitality industry.

TasTAFE is one of the largest vocational training institutes in Australia and is owned and operated by the Tasmanian State Government. TasTAFE provides high quality, nationally accredited training, delivered by greatly experienced teachers.

### Course Structure

Our Cookery pathway offers a combination of theoretical and practical training, in a fully operational commercial kitchen. We teach diverse skills in Hospitality and Cookery Management. Advanced units include: finance, sustainability and managing human resources. Our course focuses on a simulated workplace experience including 290 hours of work placement.

### Career Outcomes

Your industry recognised skills and qualification will encourage a successful hospitality career, including options: Executive Chef, Restaurant Owner/ Manager.

Australian businesses value employees trained in staff management and may offer higher wages for their skills. The average salary for a Chef in Australia is \$53,054. (Source: [www.mycareer.com.au](http://www.mycareer.com.au)).

## Student Story

“ I’m currently studying Commercial Cookery at TasTAFE. The teachers are really patient and helpful. The course is effective in giving me the skills because I practice a lot and learn by doing.

Could you imagine studying in a picturesque city? I recommend Tasmania as an overseas study destination. Not only does it have breath-taking natural beauty, but it also is a safe and friendly study environment. ”
