Student Story - Aron,

English Language Student

“ I chose to study in Tasmania because of the reputation in education excellence.

I liked everything about my English course; the people, the organisation and our teacher was great, very clear and patient.

Studying is one of the most rewarding forms of travel. Tasmania is a fantastic destination to improve English and gain an authentic Australian experience. I spent my spare time trekking, walking and photographing beautiful landscapes.

My advice to future students is to appreciate nature and enjoy the wonderful people of Tasmania. It is rare that people have the chance to see a place like Tasmania, it is Paradise.”

Aron - English Language Student, from Italy.
