

Search for Course

Issue: Search results do not appear

- When creating an application, if the course you have searched for does not appear in the list, it is likely that there are too many criteria in the filter section

Filter

Name contains: Health Study type: International Student Award type: Masters Institution: Western Sydney University

Search

Too many criteria in the filter section

Name	Study Type	Award Type	Institution
Results do not appear in the list			

Solution: Try this

- Remove the criteria from the 'Study Type' field and select the 'Search' button again

Filter

Name contains: Health Study type: Award type: Masters Institution: Western Sydney University

Search

Remove the Study Type filter

Name	Study Type	Award Type	Institution	
Master of Health Science - 4698	Full Time	Masters	WESTERN SYDNEY UNIVERSITY	+ Apply
Master of Public Health - 4702.A4009	Full Time	Masters	WESTERN SYDNEY UNIVERSITY	+ Apply
