

Frequently asked questions on GETI and TasTAFE transition

From 2025, TasTAFE will be independently managing its international education program, and GETI will be dedicated to international education programs for Tasmanian Government Schools.

This dual enhancement ensures a dynamic, responsible and robust Tasmanian Government international education sector.

Frequently asked questions

Questions	Answers
Why is this change occurring?	<p>This decision, reached collaboratively, is envisioned to benefit international students and support a robust and sustainable educational landscape for the sector in Tasmania.</p> <p>GETI will continue to manage an Australian-leading international program in Tasmanian Government Schools that enriches the experience and outcomes for all students.</p> <p>TasTAFE's independent management of its international education program will further enhance industry-leading VET outcomes for international students.</p>
What will 2024 look like?	<p>2024 will be a carefully planned and fully supported transition.</p> <p>The emphasis will be on maintaining continuity and avoiding disruption for our key stakeholders and valued partners and importantly ensuring a seamless study experience with no impact on students.</p>
What will 2025 look like?	<p>In 2025, TasTAFE will be independently managing its international education program, and GETI will be dedicated to international education programs at Tasmanian Government Schools.</p> <p>This shift will enable a more targeted engagement with international students and stakeholders, enhancing the quality and relevance of Tasmania's education sector more broadly.</p>
